This post is a review of Bachelor Pad Economics by Aaron Clarey. The book caught my eye for 2 reasons: 1. I have a bachelors degree in economics. 2. It was the top book on Amazon under the "Customers also bought" section for my latest book ( The Book of Alpha) In the first chapter Aaron shares the 3 key principles the book resolves around.

Bachelor Pad Economics by Aaron Clarey As I started reading Bachelor pad economics, my first impression that this was going to be a blunt, no-nonsense approach about all things financial for men. And I do mean all things – this covers a life cycle starting with the young man considering college/university to planning for death.

**Review: Bachelor Pad Economics – Perfect Manifesto**  
Bachelor Pad Economics takes things in a very different direction. Instead of telling you to do what society expects, Clarey recommends that men do what they want. Additionally, he provides the means to do it. There's a section on entrepreneurship where the book discusses the advantages of being self employed.
