Chapter 1 Introduction to Principles of Management 1.1 Who Are Managers? 16 The supervisor performs these managerial roles but with different emphasis than higher managers. Supervisory management is more focused and short-term in outlook.

Chapter 1 Introduction to Principles of Management

A manager's primary challenge is to solve problems creatively, and you should view management as "the art of getting things done through the efforts of other people." 1 The principles of management, then, are the means by which you actually manage, that is, get things done through others—individually, in groups, or in organizations.
