...

The term curriculum refers to the lessons and academic content taught in a school or in a specific course or program. In dictionaries, curriculum is often defined as the courses offered by a school, but it is rarely used in such a general sense in schools. Depending on how broadly educators define or employ the term, curriculum typically [...]

The Womack Curriculum Collection, located on the 3rd floor of Walker Library, is a specialized library collection in support of students and faculty within the College of Education. More than just books and materials, Curriculum has human resources too: subject experts who can help you with your research, locate what you need to write that paper or lesson plan, or give you guidance on your area of inquiry.

Curriculum Collection - Curriculum Collection - Walker ...

A curriculum may be partly or entirely determined by an external, authoritative body (e.g., the National Curriculum for England in English schools).. Crucial to the curriculum is the definition of the course objectives that usually are expressed as learning outcomes and normally include the program's assessment strategy. These outcomes and assessments are grouped as units (or modules), and ...
