Culture And Reflexivity In Systemic

In doing so, it corrects the longstanding error of circumscribing culture and race to the attributes of minorities. Instead, it urges systemic practitioners to reflect about their own cultural and political stances in all their interactions with clients. Thoughtfully articulated contributions open rich new perspectives about the uses of reflexivity.

The Social Graces - Explanation, Pros & Cons (Burnham ...

Cultural traditions are often imagined as perpetuated as stable ideals by uncreative actors. Innovation may or may not change tradition, but since reflexivity is intrinsic to many cultural activities, reflexivity is part of tradition and not inauthentic. The study of reflexivity shows that people have both self-awareness and creativity in culture.
