THE SOUL OF THE SYSTEM. Fight! is a tabletop RPG, so naturally, a lot of its mechanical workings are resolved with using rolls of the dice as a Random Number Generator. This game uses d4s, d6s, d8s, d10s, and d12s; no more and no less than that.

### Fight! The Fighting Game RPG - An Introduction and ...

Fight! is a game designed to do one thing and do it well, and the author wastes absolutely no time in telling you exactly what that thing is. The Introduction forgoes any kind of flavor text or "what is an RPG?" explanations and instead tells you that this game emulates fighting video games and the stories they tell.
