Gender equality is a human right, but our world faces a persistent gap in access to opportunities and decision-making power for women and men. Globally, women have fewer opportunities for economic participation than men, less access to basic and higher education, greater health and safety risks, and less political representation.

It further affirmed its commitment to increasing women's role in decision-making, expanding the role of women to UN field-based operations, providing training guidelines to all member states on the protection, rights, and particular needs of women, ending impunity with regards to rape and sexual abuse of women and girls, and increasing financial, technical and logistical support for a gender-sensitive approach to peacebuilding and conflict resolution (UNSCR S/RES/1325 (2000)).

A Gendered Approach to Peacebuilding and Conflict Resolution

PeaceWomen is the Women, Peace and Security Programme of the Women's International League for Peace and Freedom (WILPF), the oldest women's peace organization in the world. We work for feminist peace by strengthening women's meaningful participation, transforming gendered power, and bridging local gender conflict analysis with global efforts to implement a holistic WPS Agenda.

WILPF's Women, Peace and Security Programme

The rights and needs of women and girls will remain in the shadows, without a gender transformative agenda, peace in Yemen will be impeded. Women in Yemen are threatened or violently repressed if they speak out, mobilize or advocate for their rights.
