However, given all the recent developments in Islam, I decided to take a look at the "Islamic Antichrist" theory, and I decided to read more than one book on the subject. Th I generally do not pay much attention to books attempting to interpret Biblical prophecy, especially after I read "The Late Great Planet Earth" by Hal Lindsey when I was a teenager in the 1970's.

God and War traces how three great postwar "trials"—the Cold War, the Vietnam War, and the War on Terror—have revealed the promise and perils of an American civil religion. Throughout the Cold War, Americans combined faith in God and faith in the nation to struggle against not only communism but their own internal demons.
