A Conservative candidate in next month's local elections has been suspended from the party after tweeting an image that apparently equated trans, intersex and people of colour with Nazis.

### Tory candidate kicked out after linking trans and Black people to Nazis

In the early 1960s, an interest in women and their connection with the environment was sparked, largely by a book written by Esther Boserup entitled Woman's Role in Economic Development. Starting in the 1980s, policy makers and governments became more mindful of the connection between the environment and gender issues. Changes began to be made regarding natural resource and environmental ...
