#### Living An Examined Life Wisdom

This quote deals with the examination of life, i.e. introspection. Introspection helps us in our pursuit of wisdom and search for the truth. But the quote can also be counter-argued by mentioning that all unexamined lives are not worth living is unreasonable. For many, life in itself is worth living whether it is examined or not.

**"An unexamined life is not worth living."** - **Socrates. What ...**

"The concept of wisdom has an ethereal quality to it," he admits. "But if you look at the lay definition of wisdom, many people would agree it's the idea of someone who can make good ...

#### The surprising downsides of being clever - BBC Future

Midlife or middle age is that transitional period of life between young adulthood and old age. Middle-aged people often undergo significant changes in their relationships, jobs, and health and ...

#### Midlife - Psychology Today

A recent report by Bartcis and colleagues examined the annual health care costs for adults with schizophrenia, depression, dementia, or physical illnesses in one small US state (New Hampshire). 2 In general, except, for dementia, costs of care increased with the age of patients, with those over 85 incurring the greatest per-capita expense ...
