Standards-Based Assessment Rubrics for Teachers | Exemplars

What are rubrics? A rubric is an assessment tool that lists specific expectations for the solution to a problem, group/partner work, self-assessment or success with a specific task. The rubric should be clear, kid-friendly and concise. It's even better when you create a rubric with your students so they have buy-in to the whole process.

Rubrics - Why use them in the math class? | SMathSmarts

Educators are busy re-mapping and re-working curriculum at all levels to align with the Common Core State Standards (CCSS). As I began to take a look at this monumental initiative, I decided a way I might help was to identify the rubrics that have been developed thus far for assessment of these standards.
