space between the two words. We have an adjective (some) and a noun (day). Some means “unspecified” in this context. When it describes day, it means a single day that is unknown or unspecified. Let’s clarify with two examples of “some day” in a sentence.

Someday vs. Some Day | Grammarly

You think about how

Read Free Some Days You Get The Bear

far you are from reaching your goals, and you wonder if you'll ever get there. Some days... when you see photos of family and friends celebrating birthdays, holidays, and engagements... you start to wonder if you made the right choice by leaving. You've been gone so long, that the photos hardly look like anyone's missing.

Someday vs. Some Day - Meaning & Definition - Grammarist

Some days, you don't have anything. Some days, you don't knock it out of the park. On a day like this, I sat still. It was all I could do. I looked inward, and faced the hurt. I stayed with it, just giving it my attention. I noticed the story I was telling myself, that was
