The employers should also abide by the government conditions in purchasing new types of equipment and machines. And also the workplace should follow certain rules about temperature control. 5. Inequalities at the workplace: In a work environment, the rights of the employees is to work in a place that is free from discrimination, harassment, and ...

### 26 Employees and Employers Rights and Responsibilities ...

Like the United States Bill of Rights was added to the Constitution to quell overreach, abuse of power, and protect individual freedoms, employers need a Bill of Rights to prevent the same harms. Between the state of California’s out of control labor laws and the greedy employee side attorneys looking to exploit employers for personal gain, it’s time for us to demand our own amendments.
