Trane ComfortLink II XL850 Wi-Fi Thermostat - Rfwel Engr E ...

I have a Trane older type (2006) Comfortlink II thermostat with three wires, D, R, B. I want to change to a new wifi thermostat. Most say that a Nest won't work, because of the Data (D) wire. Other than the Trane 950XL thermostat, are there any other WiFi thermostats that can use the 3-wire setup? Honeywell? Lyric?

I have a Trane older type (2006) Comfortlink II thermostat ...

Trane ComfortLink™ II XL1050 Zoning Control with built-in Nexia Bridge combines zoning technology and a home automation hub to remotely control your home, comfort, and energy use. It's easily accessible from a smartphone, tablet or computer, which makes adjusting the temperature for your family's comfort a breeze.

Thermostats & Controls | Trane

The Trane ComfortLink II is essentially like a traditional programmable thermostat. Instead of learning from you, you have to program the temperatures you want it to use for each day and time. However, unlike the Nest, you can track your energy use over time as well as track how hard your furnace, heat pump or air conditioner are working to see if you're actually decreasing your system's use.
